

## **Stylmark, Inc.**

### **Open Position: Fabricator 3 (Laser, Turret, Brake, Waterjet)**

You haven't experienced a company like Stylmark before! We are an employee-owned leader in designing and manufacturing finished fixtures and full solutions, including aluminum and steel, LED lighting, displays, showcases, fitting rooms, shelving and more.

### **Our Opportunity:**

The Fabricator 3 position is responsible for fabrication of stainless steel sheet metal and various metal materials into finished quality products for Stylmark customers.

### **Responsibilities**

- A. Laser/Turret: Develops parameters, programs Laser/Turret, and sets-up and operates Laser/Turret in a production mode.
  - 1. Works with Engineering to develop parameters for new materials & processes.
  - 2. Updates existing programs as required, and maintains paper documentation of all programs.
  - 3. Set-up and operates Laser/Turret in support of production.
  - 4. Assists in training all new employees assigned to department.
  - 5. Participates in all process improvement efforts.
  - 6. Recommends tooling and gas needs for Laser/Turret.
  
- B. Manufacturing Duties: Performs the duties defined by Fabricator II job descriptions and those listed below.
  - 1. Monitors tool status and usage to ensure that needed tools are available when required. May include specification of new tooling, modification of existing tooling, and maintenance of tooling.
  - 2. Reads fabrication and roll form prints, production orders, tally sheets, bills of materials and process sheets to ensure customer orders are completed accurately and according to Stylmark's quality standards.
  - 3. Sets up and operates machines to ensure parts punched and deburred to specified dimensions.
  - 4. Inspects all work at each step of production to ensure compliance with Stylmark's Quality Standard Policy and Procedures.
  
- C. Safety: Maintains a clean and orderly workstation to ensure a safe environment and compliance with environmental guidelines.
  - 1. Follows company safety policy and procedures.
  - 2. Operates all equipment safely in accordance with equipment specifications and Stylmark guidelines.

3. Cleans work area after each completed job; picks up the work area at the end of each shift.
4. Removes burrs for all parts immediately after each manufacturing operation.
5. Returns all items and tools to their proper place.

D. Performs other duties as required or assigned.
