

# Mirror Solutions by stylmark® BEVEL

## Data Sheet

**General Description:** Mirror Solutions by Stylmark come fully glazed and ready to install. Available in standard single pane sizes, with or without back-lighting, these mirrors expand the visual space of any room while providing elegant functionality. Featuring a frame which tapers back towards the wall, BEVEL presents a unique appearance. The LED-lit BEVEL Mirror also features flush, etched lights on each side of the mirror face. The LED-lit BEVEL Mirror is selectable with hard-wire (wire per NEC and applicable local codes) or plug-in option.

**Applications:** Retail fitting rooms, restrooms, spas, salons and hotel guest suites
