

# Mirror Solutions by stylmark® PIVOT

## Data Sheet

**General Description:** Mirror Solutions by Stylmark come fully glazed and ready to install. Available in a standard triple pane size, with or without back-lighting, these mirrors expand the visual space of any room while providing elegant functionality. PIVOT features adjustable wing mirrors to allow viewing from multiple angles. The wing mirrors attach with seamless hinges which eliminate pinch points. The LED-lit PIVOT Mirror also features flush, etched lights on each side of the center mirror face. The LED-lit PIVOT Mirror is selectable with hard-wire (wire per NEC and applicable local codes) or plug-in option.

**Applications:** Retail fitting rooms, restrooms, spas, salons and hotel guest suites

**Construction Specifications:**

- Frame Material:** Anodized aluminum
- Frame Finish:** See Stylmark Color Library
- Mirror:** ¼" clear mirror with pencil ground edges and Category 1 safety backing.
