## Mirror Solutions by stVmark TILT

## Data Sheet

ETL Listed
Tested to UL Standard 962 and CSA C22.2 No. 250.0-08

MIRRKT

In order to continually improve our products, Stylmark reserves the right to make changes to specifications or materials without prior notice.

General Description: Mirror Solutions by Stylmark come fully glazed and ready to install. Available in standard single pane sizes, with or without LED lighting, these mirrors expand the visual space of any room while providing elegant functionality. Use the included bracket to install as a leaning mirror to the wall. The LED-lit TILT Mirror plugs into a standard wall outlet.

Applications: Retail fitting rooms, restrooms, spas, salons and hotel guest suites
