COMMERCIAL INTERIORS

## ROLLING DOORS

For over 60 years, the Stylmark Rolling Door System has been recognized as the finest in the industry. These doors move effortlessly at the touch of a finger, while adding security to your showcases. They feature anti-jump, security rolling hardware which engages the door bottom to flanges on the track and prohibits removal of the door when it is locked.

## MIRROR FRAMING

Mirrors frames by Stylmark have clean lines that provide a subtle decorative accent to any area. And because they're from Stylmark, you can depend on a product that's designed to give years of trouble-free service. Our mirror products include Tri-Vue Mirrors, mirror frames, and mirror trims. Mirror product components can be ordered in 12-foot lengths, or fabricated to your size specifications.

## SHOWCASES

Showcase systems from Stylmark offer a wide selection of framing, lighting and door options that allow you to integrate the components of your choice into a custom showcase that meets your exact specifications.

## SHELVING

Stylmark's shelving products have clean lines that provide an attractive accent to any area. Constructed of aluminum or stainless steel, these elegant framed shelves are available with or without lights.

## WALLMAKER®

Create an unlimited variety of bright, beautiful and secure interior environments with the easy-to-install Stylmark WallMaker Glass Wall System. This versatile system consists of headers, sills, mullions, and corner assemblies that allow you to create a multitude of glass wall configurations.

## TRIMMAKER®

With Stylmark's TrimMaker®, you can easily add accent to walls, ceilings, soffits and columns. TrimMaker® is available in hundreds of shape, color and finish combinations.

## COLOR & FINISH

Stylmark offers hundreds of color & and finish combinations and can also custom match specified colors. In addition to anodizing, we can have your product powder coated to achieve the exact look you desire.

## SIGNAGE

Stylmark continues to add to our lighted signage products & graphic display capabilities. Stylmark's signage solutions include a broad offering of backlit displays and edge-lit LED light boxes and LED tension fabric light boxes that can accommodate graphics up to 30 feet in length.
