ALUMINUM COLOR & FINISH OFFERINGS

Stylmark is proud to offer custom color matching for your aluminum project needs!

Many of the colors in the Stylmark library are provided here.

If we don't already have a formula to match your desired color, we can create one. Simply provide us with a swatch of the color you're looking for and our Research and Development team will go to work!

To receive color samples on a 1" x 3" stock, call our Customer Service department at 1-800-328-2495.
